

RAILWAY PERFINS

Another 'possible' has been reported. Michael Ruckridge has K.E.VII ½d postmarked BARRY. B. . . . Ju 27 10 with the perfin

BR/Co. 13,12/10,6 6/6,3

Could this be a later version of the Barry Railway's perfin or was there another company - RUBBER Co. ? - which used this perfin?

May we also put in a further sales pitch for the Railways Booklet? Sales to Society members have been rather disappointingly low and at £1 for 73 pages fully illustrated with photographic reproductions of over 100 dies, it must be good value. £1 sent to Ron Bowman will get one in the post to you by return.
